

SYA CHALLENGE AWARDS

Our Challenge Awards are accredited by UK Youth. Committing to a Challenge Award is a great way of developing resilience, self confidence and a greater understanding of the world, while gaining accreditation at the same time. It's also a great way to meet young people from other parts of the County.

How is it Delivered?

Young people attend workshops on a variety of topics based on their needs. Young people then design their challenge, plan the appropriate steps and then dedicate 10 hours to completing it.

Young people will be in 'Award Groups' with peers to support each other on their journey. The project workers will also support young people in achieving their goals and ensuring the targets set are manageable and realistic.

Who is it for?

Any young person aged 11+ in your youth club can complete a Challenge Award - they can choose to do this individually and attend sessions at The New Lodge or a whole youth club may choose to get involved.
