Welcome to the SYA Training Calendar for 2024. This is set to be an exciting year for SYA with the opening of our new building set for the Summer which will include our new training room! This will enable us to cater for individuals learning needs and styles more than ever before, with participants being given the option to join us in person at our training room, or virtually by joining a video link!

Remember that participating in training, along with your level of young people's engagement in activity and programme planning, all contribute towards your Bronze, Silver or Gold Youth Club Award – new certificates will be presented in 2024.

Some of our courses are free to attend, others can be attended at a cost which will be highlighted within the course information. For our Level 2 and 3 Youth Work courses, you can apply for a bursary, however there is a limited availability for them so we cannot guarantee.

Some of our courses don't yet have dates listed and instead state 'TBC,' if you are interested in any of these courses please email kerry@sya.org.uk for further information.

Course Information:

Club in a case

This course is an introductory Youth Work course which can be completed before accreditation Level 2/3 youth work training.

Course content includes:

- How to run youth activities, where and when?
- All the things you need to consider.
- What skills are needed to be a youth worker?
- Understanding young people and planning to support their development.
